Security 101

I just got cut by the Austin Spurs. It was a tough break. Even though they didn't say I was too old, they must have thought a forty year-old point guard wasn't what they or their parent team, the San Antonio spurs were looking for. They already had a 39 year old point guard and a 40 year old center. I was, and still am, a good shooter, but I may have slowed down just a bit.

Anyway, I needed to get a job right away because I still have alimony and a whole bunch of bills. I decided to take a job at a large country music bar in Ft. Worth and moved there. I found a small apartment and started work on a Monday a week later. My job was helping out Security, but not as a bouncer. I had to go around and be sure everyone was 21 if they were drinking. They gave me a crash course as to what to look and how to handle the door so I knew what to look for when I had to check IDs. Apparently the law came down hard on them last month and threatened to revoke their liquor license, and their business license, too.

After a couple weeks of working the floor, I started my first shift at the door on a Friday night. It was Ladies Night. I learned very quickly that alcohol can make young ladies quite horny and loud. At least most of that was going to happen inside and not here at the door. I was having a great time scoping out the babes who were coming to the bar. There was a short hallway that they had to go through before entering the main room so they had to push themselves around me. In the process, I had gotten feel after feel of rock hard boobs on my arms and chest. It wasn't my hands that were doing the touching, but

a guy can learn to feel with his upper arms and elbows. After all, who needs to end up on the news on sexual assault charges when you haven't even gotten closed to being laid?

The night was getting long and had turned past midnight. And the girls just kept coming. As the night went on, there was this cute girl there who kept trying to make small talk with me. She was sexy and looked no older than twenty. She had a black party dress on and it came down deep in front revealing her ample breasts. She told me her name was Elynn and that she was still in college. She was out tonight with a few girlfriends blowing off some steam. She asked about me and we had a brief conversation before she was danced floor by her girlfriends.

It was now 2 am and she came outside to get some fresh air. She saw me and wrapped her arms around me and I rested my hands above her ass. She was firm all over. I noticed that she had a thong on and I was so turned on by her. She pressed her body against mine and she said that she thought I was hot. It was now almost closing time and my new friend Elyn came back and this time she was more affectionate. Kissing me, touching me and I was doing the same to her. I asked her to go into the Security Office. I knew it would be vacant since it was my night to close up and everyone else had gone home.

She, of course, was very obliging to come

40+: We have twenty minutes. Where do you want to do this?

Monique: We can do it right here on my brand new sofa.

40+: Thanks. So do you always interview topless?

Monique: No, not always, but I feel a little frisky today.

40+: You know it's going to make it quite hard to concentrate on the interview.

with me to the room. We closed the door behind us and the cold air made her nipples stick out. I ran my hand up her stomach over her dress and cupped her breast. We kissed and I sat her up on the arm of the only overstuffed chair in the room.

She opened her legs up slightly and I slid my hand up her thighs. They were silky smooth and her thong was soaked through. I pushed a bit of the fabric aside and quickly found her pussy warm and welcoming. I could tell it was just trimmed around the bikini line. I parted her lips and it was easy getting to her engorged clit. I started to rub it with my index finger. She started to breath heavier and began moaning as I swirled my finger around it, pinching and pulling at her lips, too.

I pushed my finger down lower and found her love hole. I got her to tilt her body on the back of the chair. I then pulled her thong off and started to lick her pussy. She tasted so good. There is no description as to how pussy are supposed to taste, but if there was, hers would have been it. I tongued her small clit and poked her pussy with my fingers as well. In no time, she came right there. When she came down she whispered that she wanted me to fuck her. She wanted to feel me inside of her.

She leaned forward and found my zipper and pulled my cock out and started stroking it. Precum was just oozing out as I lined it up with her pussy opening. I ran my thick bell-head against her clit and teased her. With that, I pushed my head inside, pulled it out and popped it back in. Then she and I couldn't take no more and I slide my hard cock deeper into her pussy.

I was balls deep against her ass. The expression on her face was like, oh my fuck, what did I just do? As I started to slowly fuck her, she started to come around and her breathing was beginning to pick up and she started to moan. She then started to wiggle her hips to

the rhythm of my cock which was now hammering her pussy. Down there was a sticky mess of precum and her vaginal juices. All of this turned me on.

By now I was feeling the sensation of a building orgasm. I was going to cum soon and I wanted to make sure that she came as well. I didn't have to wait long. Before I knew it, she was cumming again, and with that I started to fuck harder and faster and made myself cum in sync with her. Her pussy knew how to handle my throbbing cock. Without asking, I pulled out and she took it and pulled it closer to her face. I shot my load into her mouth and it felt like my cock was being milked by her hands, pulling out every drop of cum I had.

As we came down from our climax, we realized that we had left evidence out for everyone to see. She stood up and looked down to find a steam of pussy juices and cum running down her legs and on to the arm of the chair. I found an old T-shirt and we wiped up our collective mess together. She pulled her thong back up and we left the room. By now, her girlfriends had left and I offered her a ride home in my car. I did one last walk-around to be sure everything was locked up tight.

We did have our time together and it was fun. There have been others that I've connected with as Security but I'll always remember... what's 'er name...

— Travis, Ft. Worth

Monique: I'm sure it will make it quite hard.

40+: My god, woman. I'm here on business.

Monique: What kind of business? Monkey business, perhaps?

40+: Of course... not! You know, rubbing your breasts makes it hard, I mean difficult, to get a question out.

Monique: Is that really what you want to get out?

I can dream about you

She and I work at a major department store online order and call center. I had not been looking forward to work today, but when I saw that Marcia was in, I knew that it couldn't be all bad. Lucky for me, I'd been able to break some ice with her over the past few weeks since she started working here. She's quite tall, with shoulder length brown hair, a beautiful round face, a pair of boobs that only look small because she's so tall, and two legs that stretch to an ass that is just so perfect you would think it couldn't exist.

I got to the office early that day and I saw she was the only one around. She looked up and smiled 'Hello,' but I didn't say anything because she was in the middle of a call with a customer. So I smiled in sympathy and walked back to sign in and grab the day's tally sheet. By the time I got back, she was done with her call. Customers can be a real pain in the ass at times, but I suspected that her wonderful voice and amusingly flirtatious way of talking to people made the sale.

Between calls, I would check out her awesome cleavage through her thin white sweater where a pink lacy bra pushed her boobs up and made her rack look simply divine. I asked her how long she had been working and she said about three hours and had only one left. I

suggested she take a break in the snack room and she agreed. I bought her some chips and a drink and she started telling me about her calls. I listened without hearing as I was staring at her mouth moving, imagining it was wrapped around my cock.

I lost focus completely as I drifted to her wonderful ass for a moment before she knelt down and put the tip of my pole to her lips. She planted a wet kiss on the engorged head of my dick, then put her lips around it and began to suck. Up and down the shaft she went, at first only part way, but gradually, she took more and more of my cock in her mouth, all the while swirling her tongue around. The sensation was phenomenal. After a minute or two, she had her nose buried at the root of my cock, while the head pushed past into the tight confines of her throat. She gagged slightly, but not enough to make her mouth release its wonderful suction. Once my whole cock was in her mouth, she paused for a second, then began to slowly move up and down. I could feel the head of my dick going in and out of her throat, which constricted in a wonderful way.

Meanwhile, she began also to play with my balls, which caused my testicles to tighten up and prepared to release a tsunami of cum. By now,

I bought her some chips and a drink and she started telling me about her calls. I listened without hearing as I was staring at her mouth moving, imagining it was wrapped around my cock.

Moaning softly with pleasure, she slightly lifted her ass off the chair so that I could slide her jeans down her legs. As I did, I saw a pink bikini thong that matched the bra I had been glimpsing all day.

she was moving her head up and down in a serious pumping motion which had me ready to explode at any second. I held back for a few more second, then released a huge load into Marcia's mouth and down her throat. So much shot out that some spurted out from the side of her lips and dribbled down her chin. As I finished, she licked at my softening cock, cleaning the sticky spunk off of it with her tongue.

It's been fifteen minutes. We'd better get back in there, I told myself. She looked mildly disappointed as she pushed my cock back into my pants. We went back in and signed on to the computers. After a few dull calls, I decided to end the boredom. While she was engrossed in talking to another customer and had her back to me, I silently rolled my chair closer to her, reached a hand around and slid it up her sweater to her bra. She continued to talk to the customer while I slowly began to massage her firm, full breast. She started breathing more heavily as I pinched her nipple through the lacy bra, and I heard the guy at the other end of her phone ask if she was all right.

I moved my other hand under her sweater and began doing similar things to her other breast. Then I slid my first hand down over her smooth well-toned stomach and slid it down into her jeans. Realizing that my angle was all wrong to finger fuck her, I moved closer and undid her jeans. Moaning softly with pleasure, she slightly lifted her ass off the chair so that I could slide her jeans down

her legs. As I did, I saw a pink bikini thong that matched the bra I had been glimpsing all day. Now, with her jeans around her knees, my hand had full access to her crotch. At first I began to rub her clit through her thin panties, but as she grew more aroused, she was starting to get very wet. I slipped my middle finger into her tight hole while my thumb remained on her clit. I was now fully finger-fucking her beautiful pussy, and she was thrusting her hips into my hand in time with my fingers thrusting into her. It wasn't long before she began moaning and panting heavily. Then she came. Her pussy muscles tightened around my fingers, and a gush of liquid soaked my hand and her thong as I slowly removed my fingers from her.

We stood up, and she came to me for an intense kiss. Then she turned around and leaned over her chair, sticking her ass up at me with the pink thong running down her luscious crack. I pulled it down to her ankles, and she stepped out of it and her jeans while wiggling her ass at me. I playfully smacked her bare cheek and she squealed a bit. I undid my jeans and pulled them down with my boxers, letting my cock spring free of its confines. I rubbed it up and down her ass crack for a moment, then moved the tip down to her glorious pink lips. I rubbed my dick into her pussy lips for a moment, then slowly pushed the tip into her tight fuck hole. She moaned as my cock first entered. And I paused, enjoying the sensation of my cock in her. Then, in one swift motion, I shoved my entirety into her.

I began to thrust my cock in and out of her tight pussy, marveling at the hot wet tunnel as it grasped my shaft. She was thrusting her hips back to meet mine as my balls slapped against the back of her thighs. Then I felt her start to come. Her pussy started to contract around my dick, and she let out a cry and began a massive orgasm. Her pussy clutched tightly around my pole, and I felt my balls tighten up as I began to blow another huge load into her. It felt like I let out a gallon of cum into her while her pussy milked it all out of me. I pulled out of her with a wet plop and a glob of cum started to drip out of her. I helped her up and caught some dripping cum and brought it to her lips. Again, she greedily sucked my fingers clean while I pulled off her sweater completely.

She stood in front of me in only a bra, and I quickly helped her discard that. I bent down and put my lips to her quarter sized light pink nipple and sucked. I gave some attention to her other boob with my hand, rolling and pinching the nipple until she was again moaning.

"Sit down," I said. "And cross your arms over your chest." She quickly understood that I wanted to titty-fuck her. With her arms pushing them together, her boobs made a perfect tunnel for my cock, and I slid it up between her cleavage. Marcia lowered her chin and slurped at the head every time it came up to her collar bone. While I was fucking her boobs, she looked up at me and started talking dirty. "I bet you want to fuck my ass too, don't you. Yeah, you want to fuck my ass?" I smiled and nodded, then I came all over her boobs and face. I stepped back and she began to writhe in the chair, rubbing my cum into her boobs, and licking her fingers. I turned around and grabbed my soda, which I had gotten from the vending machine and took a long swig.

I turned back and saw her bent over, her ass in the air towards me, looking at me while she fingered her clit. I broke out of the hypnotic trance her swaying ass had put me. Then I sat down in my chair and motioned her over to me. She came gladly. I turned her around and she sat down in my lap, and turned slightly while I kissed her. My shaft stuck out between her legs, and she started to slide back and forth with my pole between her lips, sliding back and forth, covering my cock with her lubricating juices. I put my hands under her arms and lifted her slightly, and positioned my cock at the entrance to her puckered rosebud.

Slowly I lowered her down, and pressed the tip of my cock into her anus. When the head popped past her tight sphincter, she gasped and let out a slow moan. God it was tight. I continued to lower her down onto my rod, inch by long inch sliding it into her incredible ass. When I was about half way in, I had to put my hands on her shoulders and start pushing down. At this point, she was beside herself with my huge cock stuffing her bowels. I could tell she was already nearing an orgasm. With one final shove I pushed her ass down

and stuffed my cock in to the hilt. She went overboard.

When she started to come down a bit, I lifted her up, then let her slide back down my cock. Slowly, slowly, I pulled her up till just the tip of my dick was in her, then let go, letting her own weight pull her down onto my cock. As her ass loosened up a bit, she began to lift herself up and down, until she was actively fucking my hard pole. As she pulled up, her ass tightened, and it felt very much like my cock was being sucked; it was fantastic.

I again began to rub her clit, and moved my other hand to her big, bouncing tits, rolling and pinching the nipple. Then she came. Her asshole clamped around my cock so hard I thought I might never get it back, but she kept bouncing on my pole, and the suction became even more intense. I felt myself cumming, and then I erupted. I spurted a huge glob deep into her insides, then another, and another... jet after jet of thick sticky jism. Gradually, she settled down, and sat back into my lap, with my softening cock still up her tight little poop shute.

I looked up and realized that her shift had been over for about fifteen minutes, and we had only another ten minutes before more people started coming in for the next shift. We both signed out. I asked Marcia if she wanted to head off to a café where I had some interesting ideas to share with her...

Her asshole clamped around my cock so hard I thought I might never get it back, but she kept bouncing on my pole, and the suction became even more intense.

CAROL

I walked out on my first husband within the first six months. That really made me gunshy about marriage. Now I just fool around with anyone at hand whenever I get lonely. I should have known that football players were that way. They don't have a loyal bone in their body. Only boners. Now it's my time to let loose, and I'll justb start with myself!
